Note 1: The gross rate is the interest rate that we pay where no income tax has been deducted. AER stands for Annual Equivalent Rate and shows what the interest rate would be if we paid interest and added it to your account each year. Interest is calculated daily and paid monthly. The interest rate is subject to variation. The bank can vary the interest rate at any time. Note 2: Mixed cash and cheque deposits are treated as separate deposits and charged individually. Note 3: A maximum of 10 cheques per deposit. Note 4: Indirect submission transactions are sent via an intermediary to Bacs for processing, including Santander Connect. Direct submission transactions are sent directly to Bacs by the customer for processing. Note 5: Online if submitted via Santander Connect, 'All other channels' includes email and telephone banking.
