

Coronavirus Business Interruption Loan Scheme (CBILS) Sterling Overdrafts

Working capital solutions to support your business

We are participating in the Government's **Coronavirus Business Interruption Loan Scheme (CBILS)** to support small and medium sized businesses by providing access to a source of alternative finance.

This scheme is available for UK companies that have an annual turnover between £1,000 - £45 million. You can borrow from £50,001 up to the maximum £5 million. **Please be aware that this is a government backed guarantee scheme, which may allow you to borrow money in these circumstances. However, your business will always remain responsible for repayments of the whole (ie. 100%) of the debt.**

There are other eligibility criteria for this scheme that will need to be met. Please contact your local Relationship Director.

Our Arranged Overdrafts are available in Sterling, which is linked to our central reference rate; the Bank of England Base Rate.
