

# Corporate & Commercial Current Accounts

## Supporting your day-to-day banking needs

At Santander Corporate & Commercial, we value open and honest relationships with our customers and our Corporate Current Account offers great value with no hidden surprises. In a market where banking is increasingly complex, you'll find us straightforward to deal with, so you can focus on what matters to you – running your business.

## Two straightforward and transparent tariff options:

- **Corporate Current Account:** a great value day-to-day banking tariff, which pays interest on credit balances, with no monthly account fee.
- **Corporate Current Account Plus:** offering lower individual transaction costs in return for a monthly fee. May be suitable for those with higher transaction volumes.

Note 1: The gross rate is the interest rate that we pay where no income tax has been deducted. AER stands for Annual Equivalent Rate and shows what the interest rate would be if we paid interest and added it to your account each year. Interest is calculated daily and paid monthly. The interest rate is subject to variation. The bank can vary the interest rate at any time. Note 2: Mixed cash and cheque deposits are treated as separate deposits and charged individually. Note 3: A maximum of 10 cheques per deposit. Note 4: Indirect submission transactions are sent via an intermediary to Bacs for processing, including Santander Connect. Direct submission transactions are sent directly to Bacs by the customer for processing. Note 5: Online if submitted via Santander Connect, 'All other channels' includes email and telephone banking. Additional fees may apply for using Santander Connect.

## Convenience

Through our partnership with the Post Office® our customers have access to their accounts at around 11,500<sup>†</sup> Post Office® branches nationwide. We also offer Santander Connect, our online banking service, and telephone banking for added convenience.

## The right team behind you

Our goal is to offer something different from our competitors. We aim to work closely with you in order to offer practical solutions that support your ambitions. To do this we'll assign you a dedicated Relationship Director.

Your Relationship Director will take the time to understand your business and your day-to-day banking needs to help you choose the right current account, continuing to be there for you as your business grows.

## Solutions that grow with you

At Santander, we have a full range of products and services to match your changing business needs, for example, merchant acquiring services, trade financing, supplier payments and international payments.

And, if your cash turnover is above £2.5 million, our cash management experts can provide strategic support on all elements of your cash and payments.
