

Building a strong supplier network

1. Prize sizing

What was the cost to you not having the right supplier in place over the last 12 months?

2. Multi-sourcing

How resilient is your supply network?

3. Communication

How often do you have strategic meetings with your suppliers?

4. Monitor

How often do you monitor your biggest supplier?

What is one area I need to address?

Which supplier do I need to meet with?

Who else do I need to bring into this conversation?
